Organiziranje nastave struke uz planiranje podučavanja

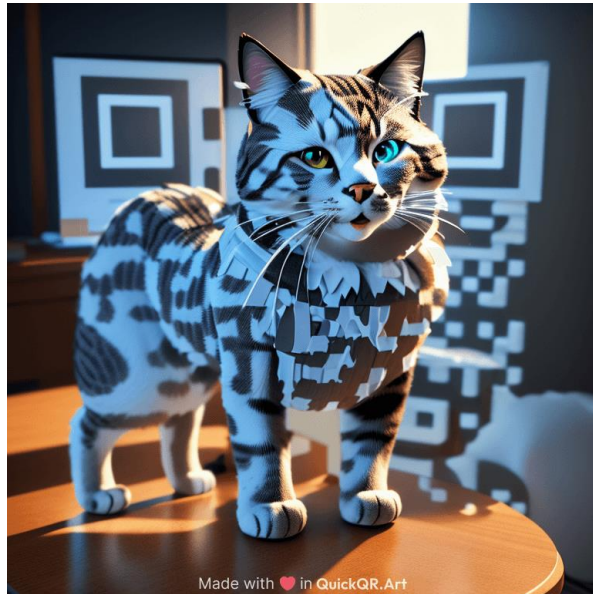

Kako planirati podučavanje u nastavi struke?

podučavanje samo na strukovni kurikulum ili?

breshna.io

Utjecaj podučavanja na nastavu struke

STRUKOVNI KURIKULUM

- osmišljen kako bi učenicima pružio specifična znanja, vještine i kompetencije potrebne za određeno zanimanje ili struku, odnosno za tržište rada
- praktične vještine; teorijska znanja; radna praksa; suradnja s obrtnicima

SKRIVENI KURIKULUM

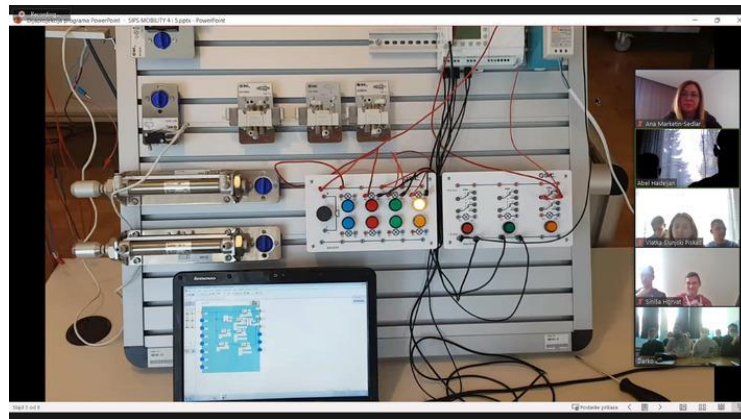

- odnosi se na vrijednosti i norme koje učenici usvajaju kroz školsku okolinu i interakcije, a koje nisu dio formalnog nastavnog plana i programa
- disciplina i pravila; učiteljski odnosi; školska kultura

Zašto wellbeing kroz ?

- eTwinning u 2024. godini istražuje temu dobrobiti u školi prateći akademski uspjeh učenika i općenito zadovoljstvo učenika i odgojno-obrazovnih djelatnika
- Temom wellbeing eTwinning naglašava važnost stvaranja sigurnog i uključivog okruženja za učenike i odgojno-obrazovne djelatnike
- Dobrobit u školi povezana je s pozitivnim odnosima i boljom pripremom za život izvan škole

Every day we are passing by so many different signs. Which of them do you pay most attention to? Which of them you haven't pay attention to?

Let's start with fun task.

Take a good look at the school, the school yard, the city and the traffic around you. Take photos of signs you didn't notice before and put them on the Twinboard. Explain where you saw the sign and why haven't you pay attention to it before.
